# Welkom by Toeka se Dae – Alles wat jy nodig het, net hier

By Toeka se Dae gebeur daar elke dag iets – van inkopies tot kuier, en natuurlik 'n bietjie eet. In ons winkel kry jy basies alles wat jy vergeet het om te pak ... en dan nog een of twee dingetjies wat jy nié beplan het nie, maar sommer ook móés koop. (Dit gaan MOS mooi lyk in die kombuis.)

Die bottlestoor is ook altyd reg vir jou naweek-plannetjies (of as jou skoonma saam gekom het op vakansie).

Ons Pensionarisdae ( Dinsdae, Woensdae & Saterdag-uitsluitend vakansiedae) is die hoogtepunte van die week – dis die dae wanneer ons tannies en ooms met die grys hare die plek vol maak! Hulle kry 10% afslag by ons restaurant op ALLE menu items! En kom Sondag? Dan ruik die hele plek na breakfast buffet en bees potjie. Die manne kom gewoonlik vir “net 'n bordjie”, maar dan eindig met drie. Ons neem hulle nie kwalik nie. Dis flippen lekker!

Vir die avontuurlustiges is daar natuurlik ons Secret Menu (uitsluitend vakansiedae) – jy moet net weet om te vra... of jy moet iemand ken wat iemand ken. Hoes hoes.. vra een van ons waiters... hoes hoes.

Het jy kontant nodig vir daardie ekstra pakkie koekies of derde tuisgemaakte gemmerbier? Moenie komkommer nie, ons het 'n ATM in die winkel!

En dan, die ster van die show: ons tuisgebak. Dis vars. Dis lekker. Dis die rede hoekom mense sê hulle “stop net gou”... en dan 45 minute later nog steeds hier rond loop.

# History of Toeka

Hier waar Toeka se Dae vandag staan het in 1930 absoluut boggerol gebeur en in 1940, -50, -60, -70 en -80 nog minder! In die laat 90's het die boer van die plaas te veel groente en melk produseer vir die plaaslike mark, en besluit om 'n stalletjie oop te maak om van die oorskot ontslae te raak.

It went extremely well and the little farmstall grew from strength to strength. The farmer soon found out that his customers wanted much more than the small variety of stock he had to offer, so he made the shop bigger and started to sell meat as well. Bread followed, thereafter rusks and other baked stuff which he got from local "boere tannies". Soon enough the farmstall was, once again, too small!

He revamped the building, made it twice the size, only to find out a year later that it was too small again! A Bottle Store soon followed, with a butchery, bakery, and coffee shop in 2012. That also became too small and we had to break and build again to what we have today!

"Toeka Se Dae" - soos dit vandag bekend staan is 'n bymekaarkompunt vir plaaslike, sowel as mense van omliggende dorpe en stede. Hier kry hulle die laaste vleis, drank, koekies, biltong, koeldrank, brood, botter, jam, of persentjies, wat vir die naweek, vakansie of die lang pad nodig is.

# History of Toeka

Where Toeka Se Dae stands today, was not much more than crickets and grass between forever ago until the late 90's. Only then did a simple farmer and his wife decide to open a small farm stall to sell their excess vegetables and milk.

Needless to say, it went well. Not long after the stall started to grow, and it never stopped. He realised that the people wanted more than what he offered, so he listened. First he started with supplying meat, then he moved to bread and rusks and other baked goods that the "tannies" of the community baked for him.

Before he knew it another revamp was necessary, he ended up doubling the buildings size!! Which was just not enough, a bottle store soon followed with a bakery and a small coffee shop opening in 2012. The coffee shop then turned into the restaurant that you're sitting in today. Don't worry though, we've updated a few things since then.

Toeka se Dae, as it is now, is a place for everyone and anyone. Whether it's locals or foreigners, if you're looking for gifts, food, alcoholic beverages and even the non alcoholic ones, freshly baked goods, clothes and more.

Welcome to Toeka Se Dae, welcome to your second home. Your family is always happy to see you!
